

Don't miss out on help paying childcare costs

Your two year old may be eligible for 15 hours of **funded childcare per week**

Childcare providers are doing many things during the COVID-19 outbreak to reduce transmission and keep children safe:

- * Implementing good hygiene and cleaning routines
- * Keeping children in smaller group sizes
- * Keeping staffing arrangements as consistent as possible

There can be many benefits for children attending a childcare provider:

- * Making new friends
- * Developing relationships and social skills
- * Building confidence and independence
- * Learning new skills both indoors and out
- * Having fun with lots of new play opportunities
- * Being better prepared for school, when the time comes
