

GROWING AND LEARNING TOGETHER

Aim of our Pre - School

Our aim is to provide all children with high quality care and education in a safe and stimulating environment, in which all children can reach their full potential.

We offer your child:

- A warm welcoming, caring, stimulating, safe and secure environment where all children feel valued and can explore at their own pace
- A wide variety of activities and resources to stimulate and support their development, appropriate to their ages and stages of development
- Fun and friendship with other children and adults, playing, working and learning together
- Valuing children as individuals and valuing parents/ carers as their child's first educators, working in partnership with parents/ carers. A preschool where parents help to shape the service offered, and which sees you as a partner in helping your child to learn and develop
- Through motivating children we enhance children's self- esteem enabling them to engage on their personal learning journey
- To play an active part in the local community and promote good relationships with local families, the school and the wider community. To offer opportunities of employment to the community
- To provide good quality, affordable childcare
- To ensure our policies and procedures are followed and assessed for their effectiveness and to work within an Equal Opportunities framework
- To offer training to staff members and placements for childcare students and to ensure we work within a Quality Framework
